7" Universal Rigid Glide Bed Legs

- Universal Rigid Glide Bed Legs are a new bed support system, replacing the conventional, metal bed frame.
- Available in a selection of heights, with the standard size being 7 inches.
- The Bed Legs easily screw into a threaded base plate, which attaches directly to the box spring with a power screwdriver for quick installation.
- They are strong, durable, space saving, and fast becoming an industry standard.
- Universal Rigid Glide Legs are sold separately.

Quantity required:

For each mattress set, the following pieces are required:

Twin and Twin XL = 6 legs / Double and Double XL = 7
legs Queen = 9 legs / King = 12 legs
